Last year we introduced a Poetry Stage. This was so popular we're bringing it back but bigger and better! Come & listen to the best wordsmiths this side of the Thames. Expect familiar faces from last year but also many new performers. We'll focus on local talent in our first section which will showcase performers from the Forest Poets and Station Poets groups. The words will start to flow at 12.30. The 2nd reading session starts at 1.45. **Your rhyming hosts will once again be Alan White & Mary Brunton.**
